

Doll And Toy Fund Wonderful Lift For Child

The power of a plastic doll with real eyelashes, blue eyes and pink lips is a strange, wonderful formula known best to those who have visited the Doll and Toy Christmas parties and seen it turn the anxious, dreading face of a little girl into a bright, plump smile as something about that doll reassured her.

The reassurance of something a lot bigger than the possession of a small doll. It is the reassurance that Santa Claus did not forget.

With little boys, it is the same. The gift may be a cowboy's cap-pistol or a baseball bat, but the assurance that someone remembered is very important.

Will you be that someone who brings the happiness of Christmas to a less fortunate child of the Gulfport area? You may by simply bringing or mailing your contributions to the Doll and Toy Fund in care of the Daily Herald.
